Central Library—Welcomes New Students

The library has a fascinating collection of learning resources for you! Resources available include in-person help and virtual reference services. The library collection includes large number of print volumes as well as electronic resources.

We have over 9 departmental libraries, own 110,000 volumes, and subscribe to many online databases and e-resources. A recent study showed that on an average day, over 600 people visited the libraries on campus. We have much more than just books! The

library has many other resources which include CDs, audio books, and video. Laptops for in-library use technology for circulation.

The orientation program was organized on 12th July 2016 to familiarize new students with the library facility, resources and services.

Plagiarism Check

Plagiarism is presenting another's words, analysis, interpretation or other creations as your own. It is academically dishonest and compromises not just your reputation but indirectly the integrity of others.

Library has subscribed to assignmentproof.com.

For plagiarism check please write to librarian@pes.edu.

The Third Library Advisory Committee Meeting was held on 12th November 2016. A warm welcome was extended to Dr. M Krishnamurthy, Associate Professor, DRTC, ISI, Bangalore who was included as an external member of the Library Advisory Committee. The Committee members deliberated on various issues like

- Extension of Library Hours from 7.00pm to 9.00pm in the evenings

- Utilization of library budget, selection of books recommended by faculty members
- Weeding out old/obsolete books and necessary procedures for their disposal
- Mandatory submission of project reports by students and subsequently project reports being cleared for plagiarism by the library using Plagiarism Software, etc.

Inspiring The Young Minds

School children from PES Public School, Chittoor visited PES University campus as a part of their educational tour on 27th August 2016. The students were delighted to visit the Central Library and amazed to see the collection of books and computer facilities. The visit was co-ordinated by Dr. Seema Tharannum, Associate Professor of Biotechnology with the staff members of PES Public School.

Mr. Subhash Reddy, Librarian and Mrs. Shobha Asst. Librarian, explained library concepts and advised the students to inculcate the habit of reading. A demonstration of digital library was given to students by Mr. Vishwanath, Asst. Librarian. The impact of internet and its vital role in reshaping library services from print to e-books aroused the curiosity in students.

Books On Demand

Textbooks: We understand your frustration when you can't get your hands on the books you need for your course.

So we're investing in a new scheme whereby if we don't have the book in stock when you need it, we'll buy a brand new one.

Remember, if you want to recommend books for the Library to buy you can submit a request to the Book Purchasing Team at any time of the year, who will consider your request.

Competition Books

To encourage students aspiring for civil services the Central Library has developed a good collection of books on general studies, aptitude, verbal reasoning, communication skills, social studies, history, geography, etc.

Digitization of News Paper Clippings

The Press Cutting Service plays a vital role like Selective Dissemination of Information (SDI), Current Contents Service, Book Alert Service, etc. Important newspapers are being scanned daily and the selected items are marked and sent to the Technical Section. The Technical Staff fixed for the purpose would cut out the items without damaging the whole newspaper and paste them on sheets in a register for the proper maintenance and systematic arrangement of clippings. The activity is focused on promotion and utilization of news releases in an effective way. Library regularly records all events video, audio and newspaper clippings highlighting PES Institution activities. Users can access archives on library website library.pes.edu.

Donate Books

Library has launched a new initiative to receive many unwanted textbooks from a life of gathering dust and bringing them back into the hands of students.

When it comes to the end of term, do you have a pile of textbooks that you aren't going to use again? There are students who will be taking your course next year that would benefit from them. Till date, your generosity provided new students with over 5000 free textbooks. To donate books please contact Mr. Subhash Reddy, Librarian and Mrs. Savitha K R, Library Assistant, In-charge Book acquisition section.

A Beehive of Activity

"Libraries are starting places for the adventure of learning that can go on whatever one's vocation and location in life. Reading is an adventure like that of discovery itself. Libraries are our base camp." -James H. Billington
